Santa Cruz County EMS Plan - Annual Update 2004-2005

Enclosed is the annual EMS plan for Santa Cruz County and a copy of the "Request for Proposals" which ultimately established our current Emergency Ambulance Services contract.

There have been no significant changes to the Santa Cruz County EMS system since the last plan submission. Staffing remains the same, providers haven't been changed.

If you have any questions, please do not hesitate to call me at (831) 454-4751.

Sincerely,

ANNUAL UPDATE WORKPLAN FORMAT and CONTENTS

The annual update will consist of the following sections:

Summary of System Status - Table 1

Summary of Changes - any changes that your agency has made to the original EMS Plan. Provide a narrative description of any changes which have occurred in your system, such as changing providers, designating new centers, changing key personnel, etc.

Updates of Specific Information - provided on Tables 2-11.

Changes made on a Standard - any changes made on a standard that are different from the previous plan submission, need to be completed on the System Assessment Form (see Appendix 1). Note your agency's progress towards short and long range plans.

Ambulance Zone Summary Form

In order to evaluate the nature of each area or subarea, an Ambulance Zone Form needs to be completed for each zone, whether exclusive or non-exclusive. <u>Please include a separate form for each exclusive and/or nonexclusive ambulance zone.</u>

2004/2005

TABLES

NOTE: THESE TABLES ARE TO BE INCLUDED IN THE EMS PLAN AND UPDATED EACH YEAR AS NECESSARY IN THE ANNUAL WORKPLAN.

TABLE 1: Summary of System Status

Place an "x" in the appropriate boxes for each standard. Complete a System Assessment form (Attachment 1) for each standard. For those items from Table 1 that are followed by an asterisk, describe on the Assessment form how resources and/or services are coordinated with other EMS agencies in meeting the standards. Table 1 and the System Assessment form are to be reported by agency.

The last two columns of Table 1 refer to the time frame for meeting the objective. Put an "x" in the "Short-range Plan" column if the objective will be met within a year. Put an "x" in the "Long-range Plan" column if the objective will take longer than a year to complete. If the minimum or recommended standard is currently met no "x" is required in either column.
