## COVID-19 TOWN HALL FOR LOCAL EMPLOYERS

With local COVID-19 cases on the rise, many employers are concerned about the health and safety of customers and staff. Local employers are invited to join Santa Cruz County Public Health officials for a free, virtual town hall to learn about current and future workplace issues related to managing the coronavirus pandemic, including:

- What resources are available for local employers?
- What resources are available for employees?
- What is Santa Cruz County Public Health's role?
- What is AB 685 and what does it mean for you?
- What should you do if you have a workplace exposure?

The town hall will be held Friday, Nov. 20, from 2 p.m.-3 p.m. The format will include a presentation and question and answer period, and is open to all local employers.

To join, visit [tinyurl.com/y4all7g9](https://tinyurl.com/y4all7g9). Online participation is strongly encouraged to access visual materials. However, employers may also call 916-318-9542 to listen in. Use conference ID 984607670#.
